

BYT Fundraising Wall of Fame

BYT has to raise between £15000 and £20000 each year to help pay for activities. (This is in addition to fees which we keep as low as possible.)

Some of this comes from large grants and donations but some has to come from our own fund-raising: bag-packing, auctions, sponsored events etc.

Individual BYTers can do their bit to help. These have.

Well done to Isabella Timmins who raised £50 by holding a car boot sale and making and selling greetings cards
She's done it again - another £40 raised by selling prized possessions
And again!! - various things including teas & coffees and raised £50

Judy Collins raised £152 at an Afternoon Tea at her house

Prisca Lawrence died her hair purple and raised £25

Well done to Jenny Anderson who raised £30 by collecting loose change donations

Well done to Ben and Rhianne who raised £80 at Ancrum Carboot

What could you do? It all counts!
