

BYT Fundraising Wall of Fame

BYT has to raise between £10000 and £15000 each year to help pay for activities. (This is in addition to fees which we keep as low as possible.)

Some of this comes from large grants and donations but some has to come from our own fund-raising: bag-packing, auctions, sponsored events etc.

Individual BYTers can do their bit to help. These have.

Well done to Isabella Timmins who raised £50 by holding a car boot sale and making and selling greetings cards

She's done it again - another £40 raised by selling prized possessions

Well done to Jenny Anderson who raised £30 by collecting loose change donations

Well done to Ben and Rhianne who raised £80 at Ancrum Carboot

What could you do?
